SECOND SUPPLEMENTAL AMENDMENT AND RESPONSE TO OFFICE
COMMUNICATION

This submission is filed in response to the Office Communication mailed June 25, 2003, for the above-referenced case. Because it is unclear whether the non-objected portions of the first Supplemental Amendment, including amendments to the Specification, Sequence Listing, Drawings and other papers, filed January 6, 2003, were entered, Applicants respectfully reiterate the requests made therein with the exception of the amendment to Table 1 of the specification.
